Let's bring the vision to life together

Are you a Merrifield resident? Have something to say about how it can be made an even better place to live?

We're listening!

In fact, the responses we received in 2017 helped lay the groundwork for a whole range of community initiatives and infrastructure projects, so add your voice and make a change.

How does it work?

Surveys will be delivered directly to households in two stages over the 2-3 June and 9-10 June. Field officers will then return to your address the week following your drop off, to collect your survey from you.

Not going to be home?

Just leave your completed survey at your door in the envelope provided or return it via the reply-paid envelope. It's that easy.

All information provided by you remains strictly confidential, and is used only to help us better plan for the Merrifield community now and in the future.
