# Front Landscaping

**Please select one of the following:**

I consent to MAB completing the front landscaping of my lot and I will provide a completed **Landscape Selection Form** nominating my preferred design to Merrifield as part of this **Design Assessment Application**.

I will design and install my own front landscaping and my builder/architect will provide **Landscape Plans** as part of my **Design Assessment Application**. I understand landscape works to the front of my lot must be completed within 6 months of the issue of a Certificate of Occupancy.

**By submitting this application form I acknowledge the following:**

My building designer will adhere to the **Merrifield Design Guidelines**.

I am aware that my house design must comply with all sections of the **Merrifield Design Guidelines** before landscaping installation by the Developer will be approved.

I understand approval by the Merrifield Living Design Review Committee (MLDRC) does not guarantee my design complies with the requirements of the **Restrictive Covenants and Hume City Council or the Building Regulations (Rescode)**.

I realise my house design must to be re-submitted to the MLDRC for assessment under the **Merrifield Design Guidelines** if the design is altered as a result of the requirements of the Building Surveyor.
