If you have a great project idea, please consider the following:

Feedback from the Merrifield Community Survey, conducted in May 2023, identified key services and activities important to residents, like sport and recreational programs, connecting with neighbours, interest groups, events and cultural activities. Learn more about the survey results [here](#).

The Mickleham North Community Centre is a permanent space for a broad range of local services and activities. Project applications that propose running groups or activities at the Community Centre are encouraged.

Applications that demonstrate in-kind or additional financial contributions outside of MCPP will be viewed favourably.

How to apply

Applying for funding

Please ensure that you have read and understood the information contained within this information pack, including all eligibility criteria, as well as the **'MCPP Terms and Conditions'** document available on the Merrifield website.

Similarly, please ensure that your group is able to meet all the eligibility criteria prior to submitting, and is able to comply with the **'Acceptance of Conditions'** should your application be successful.

Conditions of MCPP

There is no guarantee of funding. There are always more applications than funds generally allow.

The funding allocated will be determined by an Assessment Panel and will be considered final.

Funding will only be awarded where the 'Acceptance of Conditions' form has been signed and returned.

Funding must only be used for the purposes identified in the application.

Merrifield reserves the right to withdraw funding if the eligibility criteria or conditions of funding

are breached, in which event any expenses incurred will be borne by the recipient. All unspent funds must be returned to Merrifield.

All funded projects must have adequate public liability insurance.

Recipients from previous years' will be able to apply for further funding pending all previous funds have been expended and project report submitted.

An acquittal must be completed 12 months from formal approval notification, demonstrating how funds were spent and documenting the direct benefit to the

Merrifield community. All successful recipients must be prepared to allow Merrifield to showcase the project/activity and local benefits on its Facebook page, associated websites, newsletters and other relevant marketing collateral.

GST:

- Applications from individuals or community groups need to be inclusive of GST.
- Organisations, businesses able to provide an ABN can claim GST in addition to the funding amount.
